BRIEF SUMMARY

As a dedicated frontend web developer with a strong foundation in CPP language, my career objective is to leverage my technical expertise and passion for creating visually captivating and user-friendly websites and applications. I aim to contribute my skills in HTML, CSS, JavaScript, and CPP to develop cutting-edge digital solutions that seamlessly merge functionality and aesthetics. By staying updated with the latest industry trends and technologies, I strive to deliver innovative and optimized user experiences, while also ensuring cross-browser compatibility and responsive design. With a keen eye for detail and a commitment to delivering high-quality code, I aspire to collaborate with talented teams and contribute to projects that make a meaningful impact in the digital realm.

KEY EXPERTISE

CPP   Javascript   Bootstrap   SQL   OOPS   Deep Learning

EDUCATION

Sinhgad College of Engineering   2020 - 2024
B.E. - Information Technology | CGPA: **9.24 / 10**

Bal Bharti Public School, Navi Mumbai, Kharghar   2020
12th | CBSE | Percentage: **81.20 / 100**

Shri Tilok Jain Vidyalaya,Pathardi, Pathardi   2018
10th | MSBSHSE | Percentage: **95 / 100**

INTERNSHIPS

TXON Web Technologies   02 Jan, 2023 - 29 Mar, 2023
Frontend Web Developer

PROJECTS

Portfolio   08 Aug, 2023 - 20 Jan, 2024

Key Skills: HTML5   CSS   Javascript

Explore my portfolio website to delve into a collection of impactful projects. With an intuitive design, the site offers a seamless experience as you navigate through my diverse range of work, from web development to cutting-edge machine learning projects. Each project is a testament to my skills, creativity, and commitment to delivering solutions that make a difference.

Traffic Sign Recognition   22 Oct, 2023 - 31 Oct, 2023

Key Skills: Python   CNN   Image Processing

This deep learning project focuses on developing a robust traffic sign recognition system using convolutional neural networks (CNNs). Leveraging a comprehensive dataset of diverse traffic signs, the model aims to accurately classify and detect signs in real-time scenarios. By combining advanced image processing techniques and state-of-the-art neural network architectures, the project aims to enhance road safety through improved automated recognition of traffic signs.

Weather App using basic frontend technologies   20 Dec, 2022 - 23 Dec, 2022
Team Size: 1

Key Skills: HTML5   CSS   Javascript   API

Project Link: https://github.com/vishal302002/project/tree/master/weather%20app

As a passionate web developer, I have designed and developed a dynamic weather application utilizing HTML, CSS, and JavaScript. This user-friendly app provides real-time weather updates and forecasts based on location, ensuring users stay informed and prepared for any atmospheric conditions. The interface showcases an elegant design with intuitive icons and graphics, offering a visually appealing experience. With seamless integration of APIs, the application fetches accurate weather data from reliable sources, allowing users to effortlessly track temperature, humidity, wind speed, and precipitation. The interactive features include search functionality, enabling users to find weather information for specific cities or regions. By employing responsive design techniques, the app adapts flawlessly across various devices, providing a consistent and optimized experience. With my comprehensive knowledge of front-end development, I have created a robust weather app that combines functionality, aesthetics, and usability, showcasing my expertise in HTML, CSS, and JavaScript.

SEMINARS / TRAININGS / WORKSHOPS

Betsol HR Workshop **Institute Name:** Betsol

Key Skills: Soft Skills   Communication Skills

Betsol workshop helped us become industry ready. It gave us the knowledge on how to communicate efficiently and answer questions during the interview process with ease.

Rubicon Employability Skills Program
Institute Name: Rubicon

Key Skills: Communication   Soft Skills   Personality Development

This program helped me to develop my soft skills tremendously along with communication skills and personality. It was highly productive program.

PERSONAL DETAILS

Gender: Male
Marital Status: Single
Current Address: S. No. 44/1, Off, Sinhgad Rd, Vadgaon Budruk, Pune, Maharashtra 411041, Pune, Maharashtra, India - 411041

Date of Birth: 30 Aug, 2002
Known Languages: English, Hindi, Marathi
Permanent Address: Flat no 202, Maharaja Towers, Bhagavanbaba chowk, Nirmal Nagar, Savedi, Ahmednagar, Ahmednagar, Maharashtra, India - 414003
Phone Number: +91-8530414983

Emails: vishalpalve02.scoe.it@gmail.com , vishalpalve30@gmail.com
